

DRAYTON VALLEY TEAMS SWEEP WEEKEND EVENTS

It was Drayton Valley all the way at the Frank Maddock High School Basketball Tournament last Friday and Saturday. The F.M.H.S. Warriors won the eight team boys tourney beating out Winfield, Breton and Thorsby in that order.

In the girls' competition F.M.H.S. finished on top of a four-team slate downing Winfield and Evansburg to take the laurels.

To make it a complete sweep the cheerleading award went to the Drayton Valley girls who put on a tremendous display throughout the tournament.

Three of the eight individual All Star awards went to Drayton Valley competitors. Thorsby won the second place trophy in the boys competition.

The tournament opened on Friday evening with a girls' game between F.M.H.S. and Winfield. The local girls had little trouble with this one, winning handily by a 49-19 score. Janine LaBranche led the F.M.H.S. team with 21 points. Karen McNaughton carried the Winfield team throughout the game.

The scene in the girls' competition then shifted to Saturday morning when Evansburg came up with a 33-13 victory over Breton to qualify for the finals. Nina Nyschuk accounted for half of the Evansburg point total and led her team all the way.

This set the stage for the final between F.M.H.S. and Evansburg. This turned out to be a thriller from beginning to end. The Drayton girls took an early lead which they never relinquished, however, the Evansburg team always were too close for comfort and in the last quarter turned in a tremendous effort that fell just short of the mark as the F.M.H.S. team carried away the tourney championship with a 26-24 victory.

Once again Janine LaBranche led the local squad while Nina Nyschuk was the outstanding player on the visiting team.

In the boys section of the tournament the F.M.H.S. Warriors downed the Winfield Rockets 69-32 in the opener. Charlie Swap led the local attack with 21 points. Larry Metelski and Keith Sodergren also turned in stellar performances for the Warriors in Friday evening's game.

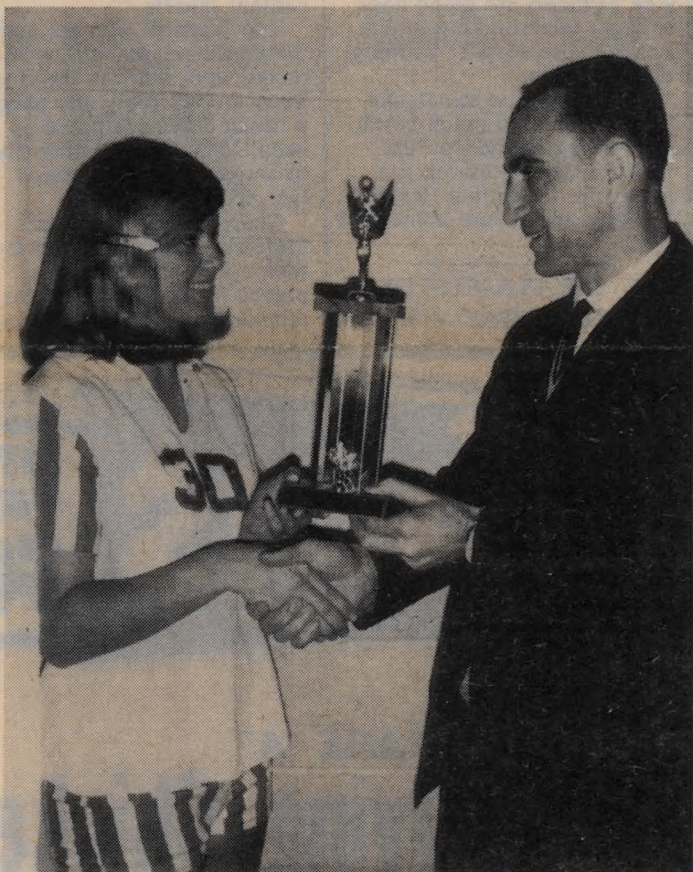

The next game on Friday featured Evansburg and Breton in an interesting contest. The Breton team led all the way and won the game by a 52-32 score.

Warburg and Rimbey opened proceedings on Saturday morning. Led by Ron Stevenson and Ed Cunningham the Warburg team took an early lead and had little trouble disposing of the once-powerful Rimbey squad. The final score read 59-36 in favor of the Warburg Trotters.

The next game was just as lopsided as Thorsby defeated the Seba Beach team 60-31. Thorsby got off to a fast start and Seba never had much chance in this one. Ed Connally led the Thorsby attack with 26 points.

Early Saturday afternoon Breton came up against F.M.H.S. in the first semi-final contact. The Warriors were not at their best in this one but still had enough power to down the Breton five by a 55-39 score. Charley Swap added 22 points to his total as he led the Warrior attack all the way as his team qualified for the tournament finals.

Cont. from Page 1

The next semi final contact featured the best game of the tournament between Warburg and Thorsby. Those arch-rivals went at each other like unchained tigers and neither team demanding nor giving any quarter. It was hard, grueling and driving competition from the opening toss to the final whistle.

Thorsby scored first and always held the lead to win 63-39, however the Warburg crew kept the pressure on all the way and Thorsby had to turn in a superb effort to qualify for the final against the F.M.H.S. Warriors.

Connally led the Thorsby team with 21 points while Ron Stevenson was outstanding in the Warburg cause also scoring 21 markers for the Trotters.

In the final game of the Tournament the F.M.H.S. Warriors met Thorsby. Possibly the Thorsby team was still feeling the effects of the Warburg struggle but they could not match the power of the Warriors.

The F.M.H.S. team led 17-4 at quarter time, 29-14 at the half, 44-20 after three quarters and made the final score 63-35 to carry top tournament laurels.

The Warriors who are undefeated this season with a 12-0 record were sharp in the final. They scored freely and played a strong defensive game to keep Connally and other Thorsby threats from their usual high scoring game.

Charley Swap and Larry Metelski led the Drayton attack. Doug Ibbotson also played his best game of the tournament. When all is said

and done, the final victory was a great team effort, a tribute to coach Paul Bradley and the entire Warrior team.

Without a doubt the 1967-68 Warriors are by far the greatest team ever to represent the Frank Maddock High School in basketball competition in league and tournament play.

The three stars of the girls tournament went to Janine La Branche of F.M.H.S. chosen as the first star, Nina Nyschuk of Evansburg voted the second star and Karen McNaughton of Winfield who was rated in third position.

The All Star team in the boys competition was made up of Charley Swap and Larry Metelski of the Warriors, Ed Connally and Garry Kozyk of Thorsby and Ron Stevenson of Warburg. Swap was rated as the outstanding all-around player of the tournament.

Champions are not easily defeated and in the Cheerleading competition the Warburg Cheerleaders were very difficult to displace. Only a tremendous effort on the part of the F.M.H.S. girls won them the decision over the very formidable Warburg delegation. The Thorsby cheerleading crew rated third in the voting.

This was a great tournament very well organized and very efficiently managed. The officiating was of top calibre in every game, the competition was keen and sportsmanship was evident throughout. Such a tournament is a great credit to our High School and to the people who made it possible, Paul Bradley, Tom Hutton, and Orest Haydey and everyone who was instrumental in this outstanding athletic event.

John Teeter (right), 147 pounds, poses with 60 pounder Kerry Brown during a Pembina Boxing Club workout this week. Both boys are scheduled to box on the Friday night card in the Drayton Valley Elks Hall. Teeter will meet Darrel Mays of Edmonton in the main event.

Pembina Boxing Club to Present Card Here Friday

On Friday, February 2nd at the Drayton Valley Elks' Hall, the Pembina Boxing Club will compete with boxing clubs from Breton, Rocky Mountain House, Hinton, and Edmonton. Plenty of action is expected as a number of the scheduled bouts are re-matches as a result of local boxers having competed in the Bronze Gloves Tournament in St. Albert and Peace River last December, and in Hinton last Saturday.

In the main event, Drayton Valley's hard-hitting John Teeter will meet classey Darrel Mays of Edmonton. Teeter lost by an unpopular decision to Mays for the Bronze Gloves 147 lb. championship last December.

Walter Mastre, who is fast becoming a skilful boxer, will meet the 132 lb. Bronze Glove champion, Bob Guzak of Edmonton.

Although Drayton Valley boxers met top competition in

Hinton last week, two of the local boxers captured trophies. Ronald Bartek was awarded the trophy for the most promising boxer, and Larry Shewfelt was adjudged the best junior boxer.

Going into next Friday night's card undefeated and the winner of three trophies this season, Ronald Bartek will meet Ken Sorenson from Rocky Mountain House. Sorenson should prove to be Bartek's best competitor to date.

Give the Pembina Boxing Club your support and enjoy yourselves at the same time by attending their card this Friday. Fight time is at 8 p.m.

Mrs. Marlyne Nelson has spent the last few days in Calgary visiting her mother who is in the hospital there recovering from an operation.

Mr. N.R. Gylander is away again, this time to the United States.

Zone 16 playdowns for high school boys was played at Seba Beach on January 20 - 21st. Seven teams entered with Hinton taking the honors. Other teams were from Edson, Stony Plain, Onoway, Mayerthorpe, Drayton Valley, Hinton and Seba Beach. The team from Seba consisted of: Brian Wood, Gordon Holmesey, Reg Bryant and Gordon Oliver.

Mrs. Betty Brown attended the leadership course at Edson on Monday, January 22nd. This was in connection with the 4-H movement.

Mrs. Nina Riddell's son, Bill Lundquist is in a hospital in Kingston, Ontario.

Huskies Here at Weekend

The Drayton Valley Rebels and the Fort Saskatchewan Huskies will meet twice at the Centennial Civic Centre over the weekend in North Central Alberta Hockey League action. The Huskies are here on Saturday, February 3rd for a regular scheduled league contest and the Fort team will stop over and play a previously postponed game on Sunday at 2 p.m. The Rebels and the Huskies were scheduled to play here on January 4th, but due to inclement weather conditions the game was postponed and will be picked up here on Sunday.

The Drayton team still have a mathematical chance of making the N.C.A.I.H.L. playoffs, however, from here in their role is more likely to be that of spoilers. The league race between the four other teams in the league, Stettler, Camrose, Wetaskiwin and Fort Saskatchewan is so close that a couple victories or a couple of defeats could decide the difference between a first place finish and a windup in fourth spot. With five games remaining to play in league competition the Rebels face Fort Saskatchewan twice, Wetaskiwin twice and Camrose once. By upsetting any of those teams the local team could still have a lot to say about the final league standings on February 10th.

It was learned this week that the Rebels have been entered in the Intermediate "C" category of the Provincial Playdowns. It is not known at this writing which team they will face first in Provincial competition. Series in the Provincials, up to the semi-finals at least, are all two game total

point affairs with each competing team having one home game. The Rebels should have a real good chance in the "C" competition of the Provincials and we can look forward to some keen hockey at the Civic Centre even after the N.C.A.I.H.L. schedule has run out.

EDITORIAL COMMENT

Young People To Seek Answer . . .

A group of 27 young people from across Canada will form the spearhead of an all-out effort by the automobile insurance industry to seek solutions to the mounting dilemma of the young driver.

The new organization, the All Canada Insurance Federation Youth Council, will meet for the first time February 1 to 4th at Niagara Falls.

The crisis of the young driver on our roads and highways cannot be resolved without the direct, wholehearted support of the young people themselves and formation of the youth council should have considerable impact in co-ordinating the efforts of young people and disseminating ideas on a cross-country basis.

The present five-to-nine age category is the largest single age bracket in the country and within the next ten years they will be driving and possibly adding to the problem unless effective steps can be taken now to curtail the present increasing fatalities and injuries and speedily implement ideas to cope with the potentially disastrous situation ahead.

It is hoped the Youth Council, along with provincial youth safety councils, will be able to reach young drivers with effective safety ideas that will play a part in reducing our highway toll.

The Community and The Newspaper . . .

Relationship of community prosperity to the local news-

paper cannot be precisely measured.

There is evidence of a close relationship. A progressive community is likely to have a vigorous newspaper. A good newspaper is not likely to be found in a fading town.

Of course, the question of cause and effect may be mutual. Certainly, in some cases, a good newspaper simply results from its location in a city which is blessed with uncommon sources of prosperity.

However, there are perhaps as many cases where the leadership of the local newspaper and its advertisers have given new life to depressed communities.

No newspaper publisher pretends that his paper, acting alone, has changed the face of a community. He does not claim that he can even publish a good newspaper by himself.

The publisher offers a vehicle for community action and unification of effort. The community itself determines how well a newspaper serves.

The newspaper serves as a builder of a trading centre only to the extent that local merchants recognize that a lively market is built with vigorous advertising.

A good newspaper can help to make a better community, and a better community inevitably builds a better newspaper.

Laugh . . .

Build for yourself a strong box.
Fashion each part with care;
When it's strong as your hand can make it,
Put all your troubles there.
Hide there all thought of your failures
And each bitter cup that you quaff;
Lock all your heartaches within it,
Then sit on the lid and laugh.

"What I'd like to see, is the dog who buried it."

Letters to the Editor

The Western Review
Drayton Valley,
Alberta.

Dear Sir:

Dogs, Dogs and more dogs. As an ex-councillor I assure you that dogs are a pain in the neck to any councillor. You are damned if you do and damned if you don't.

As a dog owner myself I'm fed up with the results of a

dog catcher and I can't print what I think of dog owners who don't control their dogs.

Dog owner's, it's time we took control of the problem. No one can do it better. I've a plan that should solve two problems at once. (1) control dogs; and (2) give us a place to board our dogs when needed.

Why not form a club, full slate of officers and a board of directors (one should be a councillor). Then we could make our own by-law with some teeth in it. Have it made law by council and see that it is enforced ourselves.

A kennel would not cost very much and all citizens

could be dog catchers, receiving a portion of the fine for pay.

If you are interested please let me know at once before council enters into another contract with a dog catcher. Also note that this letter will be placed before council before it is printed.

Yours truly,

A.G. Chesterman.

P.S. As this matter is very urgent a meeting of dog owners and interested parties is called for Thursday, February 1st in the Town Council Chambers at 7:30 at that time I will try to have a member of Town Council there to inform us of their plans.

BY MRS. EDITH DEBY

When Mr. and Mrs. Gary Mastre's daughter was born the Morris Mastres became grandparents for the first time as did Mr. and Mrs. Jim Brown. By the way have you seen the big smile that Uncle Kirk Mastre is wearing?

Alfred and Lucille Comeau spent the weekend with their parents, Mr. and Mrs. George Comeau. Alfred is in his graduating year at the U. of A. and Lucille is taking a special art course.

Mr. Pickup, whose illness has caused grave concern to his family and friends, seemed a little better at the time The Western Review went to press.

Miss Terry Durham spent the weekend at home. Terry will graduate in June from the Marvel Hair Dressing School.

Our deepest sympathy is extended to Mr. Dunington and his family in their sorrow.

Rick Simon was home for the weekend. Rick is very interested in the Little Theatre movement in Edmonton and has appeared in several productions.

I wish to join Mrs. Wallace's many other friends in expressing sympathy in the loss of her eldest son, Leslie.

Mrs. Fred Wilkes, of Lloydminster, has been visiting her brother, Mr. Francies Law, and her sister, Mrs. Walter Durham, and their families.

Mr. and Mrs. Nick Urchynshyn are proud grandparents. Leslie Anne Hunter was born to Mr. and Mrs. Robert Hunter in Calgary last week. Makes Lenard an uncle, too, doesn't it?

Mrs. Mary Reynolds, who has been in the local hospital for a time, was well enough to go home last week.

COUNCIL BRIEFS

Summary of regular meeting of Town Council held on Thursday, January 18th.

The secretary was directed to carry out a census of the town to be completed by January 31st.

By-law No. 401, authorizing the installing of curbs and gutters in the residential section of the town in the amount of \$8,000 was given first reading and forwarded to the Local Authorities Board.

By-law No. 402, authorizing the improving, soil cementing and paving of certain residential streets in the town in the amount of \$158,500, was given first reading.

Because the resolution concerning withdrawal of support from the Edson Health Unit by the Town of Drayton Valley was considered somewhat abrupt and too absolute, Council decided to revise the meaning of the resolution as follows: "that the Edson Health Unit be advised that unless there is an improvement in the conditions and financial sharing of the unit, the Town will have no other alternative than to withdraw its support to the Edson Health Unit as of December 31 1967."

Council decided than an application for Winter Works benefits for gravel stockpiling this winter, be made to the Provincial and Federal government.

A Court of Revision on Real Property Assessment Roll was set for Thursday, March 14 at 2 p.m. Members of the Court of Revision will be Councillor Norman Swendsied, William Rose and Mary Burrows.

Summary of a special meet-

ing of Town Council held Thursday, January 25th.

It was decided that the road grader be advertised for sale immediately with a reserve bid of \$7500.

Councillor Swendsied reported on the Public Works and Utilities Department personnel and work habits. He also advised that some town vehicles need repairs or replacement.

The town will contact equipment dealers regarding the best deal in supplying a sweeper on a three-year pay back. Also authorized was the installation of a re-conditioned motor in the one-ton flusher truck.

Council directed that a letter be forwarded to the Minister of Municipal affairs, advising that a movement is afoot in the area to proceed with an application for urban-rural county formation.

Council accepted with regret the resignation of Police Constable Ronald Criggie.

The matter of the insurance coverage for the Town was again discussed and the reaction of the two bidding firms to the proposal suggested by Council to split the coverage between them is such a way as to give the respective agents that coverage on which they bid low.

It was moved and carried that Council direct that the insurance coverage bids be considered again on the basis of new information and award the contract to the lowest bidder.

Edson Health Unit representative, Councillor Shimbashi, reported on his meeting with the Minister and Deputy Minister of Municipal affairs. He advised that the department would like a letter with a resolution that Drayton Valley Town Council is in favor of

the move to form an Urban-Rural County.

Council appointed Mr. Shimbashi to head the Development and Publicity Committee and assume the responsibility of the Urban-Rural County proposal on behalf of Town Council.

The Mayor reported on his attendance at a dog control meeting at Warburg at which the subject of amalgamating forces for the purpose of initiating a dog control program in the area including Millet, Leduc, Devon, Calmar, Thorsby, Warburg, Breton and Drayton Valley.

Mr. A.W. Bruce of SPCA was in attendance and gave a resume of the work and purposes of his organization as it pertains to dogs.

Every representative in attendance was in agreement that dogs were in need of control measures and that presently there is no adequate program in effect in the individual towns or in the area.

The Mayor suggested that the Town definitely needs a proper dog pound in the vicinity. And in addition he would recommend a blitz control program for a short period of time to eradicate the non-owned and improperly control-

led dogs.

Council directed that a dog control shelter be investigated and if found reasonably feasible be constructed and that a plan for a dog blitz be instituted sometime during February.

By-law No. 398, the Sewer Rates Schedule, having been approved by the Local Authorities Board was given third reading and declared law.

A letter was to be sent to

the manager of Pembina Pipe Line Ltd. in Drayton Valley requesting that the town run its defensive driving course simultaneously with Pembina Pipe Line.

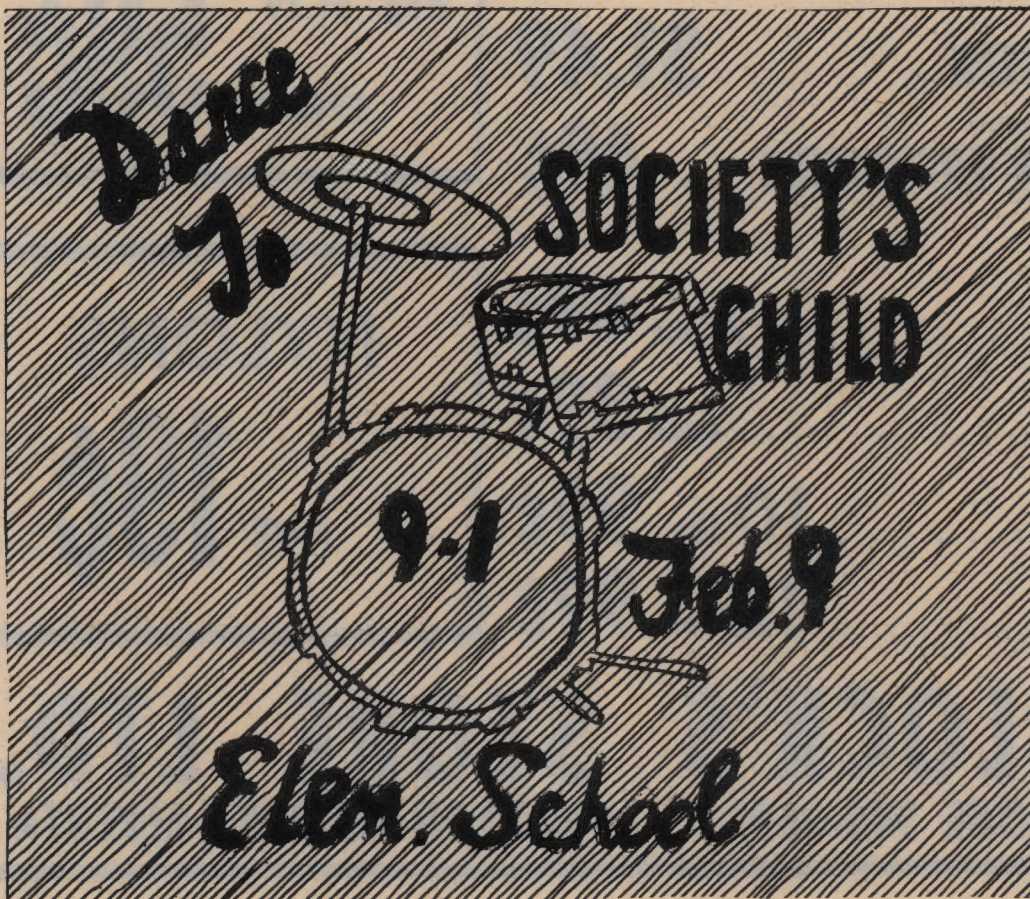

Council accepted the offer of the Drayton Valley Lions Club to support the hiring of help for the Lions West Valley Park maintenance up to the sum of \$300 per month for the months of May, June, July, August and September, 1968.

Stettler Overpowers Rebels in Sunday Game

The Stettler Imperials came up with an 8-2 win over the Drayton Valley Rebels in a regular scheduled North Central Alberta Hockey League game played in Stettler Sunday afternoon. The Imperials started very strong and looked like they would run the Rebels right out of the arena as they piled up a 6-1 lead in the first period. Play slowed down a bit in the second and third

periods as the Imperials outscored the Rebels 2-1 in the last two frames to make the final score read 8-2 in favor of the host team.

Roy Hutchinson and Barry Solnes scored for the Rebels. The Imperials outshot the Rebels by a clear margin in the first period and generally held a territorial edge in play throughout the game.

Careers Day Proves Success at F.M.H.S.

The vocational information seminar held during the afternoon of January 17th at Frank Maddock High School was considered very interesting and informative by both the staff and students of the high school.

Well organized by Mr. Katyal and Mr. G. McGuigan, teacher-counsellors, the sessions conducted by seventeen consultants ran smoothly and were all well-attended by three hundred and thirty students.

A student evaluation of the seminar confirmed its usefulness and indicated a need for holding future career days on an expanded basis.

A buffet luncheon was provided by Mrs. Patrick and her Home Ec class for the guest speakers.

The students and staff of F.M.H.S. are appreciative of the time and work put into their venture by Mr. McGuigan, Mr. Katyal and Mrs. Patrick as well as the time and work of the consultants both local and out-of-town who agreed to conduct part of the seminar.

Drayton Cubs Win Game

A very fast moving and exciting hockey game took place in the Arena on Saturday afternoon when a team made up of Cubs from A, B, and C packs

from Drayton Valley met the Alder Flats Cubs hockey team. These boys were all under 12 years of age and are all to be commended on their sportsmanlike play.

Although the final score was 6-0 in favor of Drayton Valley, the Alder Flats club have nothing to be ashamed of, they played well and are a credit to

their coaches and cubmasters.

The Drayton Valley team was under the guidance of Henry Rediron and Grant Kenworthy who both deserve a vote of thanks.

It is hoped that these teams will meet again soon, and if they do we hope to see a few more parents out to see a good game of hockey.

TOWN OF DRAYTON VALLEY

WATER AND SEWER RATES CHANGE

Drayton Valley Council finds it necessary to adjust the water and sewer rates upwards to catch up with the increasing costs of maintenance, operation and extensions of the water and sewer supplies and services of the Town.

For the past two years the Water Revenue Fund has suffered deficits and with the continuing increase in the costs of materials and labor there is no reason to anticipate anything but further deficits at the present rate schedules.

Our present system of water and sewer charges has from time to time been hard to interpret and consequently there has always been the possibility of inequality between the various classifications. So this being an ideal time to adopt a system which will lend itself to fairness and equality, your Council has passed a new bylaw which will insure an increase of revenue while simultaneously it will provide fair and equitable distribution of the charges for water and sewer services.

The changes in the schedule will wed the sewer rate to the water consumption and provide a firm basis for arriving at the sewer service charge. Below is the new water and sewer rate schedule and following that are some comparisons of water and sewer billings between the old and the new rate schedules:

WATER RATES:

4. That the rates shall be as follows:

(a) Commodity Rates - Metered Services

For the first 7000 Imperial Gals. - \$1.00 per 1000 gals.

For the next 93000 Imperial Gals. - .70 per 1000 gals.

For all over 100000 Imperial Gals. - .40 per 1000 gals.

(b) Occasional Bulk Sales - \$1.00 per five hundred gals.

(c) Annual Hydrant Rental - \$100 per hydrant.

(d) Proviso applicable to domestic users only:

During each of the months of May to September, inclusive 1000 gallons per billing may be used without charge (other than the minimum rates as per Section 7).

SEWER RATES:

5. Sewer services rates shall be computed at 50% of the water rates.

MINIMUM WATER AND SEWER SERVICES RATES:

6.

Meter Size	Minimum Bi-monthly Consumption	Minimum Bi-monthly Water Chge.	Minimum Bi-monthly Sewer Charge	Total Minimum Charge
5/8" - 3/4"	7000	7.00	3.50	10.50

EVANSBURG

MRS. M. BRUNER,
Correspondent

The Civil Service Association of Alberta (Branch 46 of Evansburg) held its first annual fish derby on January 14th. The derby was open to all members and their immediate families and took place at Seba Beach from 11:00 a. m. to 3:00 p. m. Due, probably to road and weather conditions only a small number of the members turned out for this hardy sport.

The proud prize winners for the day were Peter Pawliw with a first prize of \$10 for the heaviest white fish; second prize of \$5 was won by Mr. Pawliw's son, Pat, with his catch of the next heaviest white fish. (Those people must know just where to catch 'em). There were no Perch or Jack Fish caught on this particular day.

The United Church Women held their first meeting of the new year at the home of Mr. and Mrs. R. Pugh. There were 12 members present and election of officers for the coming year took place.

The new slate of officers is as follows: President, Mrs. Carl Bjornstad; Vice-President Mrs. R. Pugh; Treasurer, Mrs. Glen Campbell; and Secretary Mrs. Harry Kresowaski.

A Valentine Tea and bake sale was planned to take place on February 10th in the church basement. The next meeting is to be held at the home of Mr. and Mrs. Harry Krasowski on February 7th.

On February 14th, the following were baptized at the United Church in Evansburg; Tracey Leann Tompkinson; Robert Howard Witty; and Duane Stanley McArthur. Rev. E. Martin of Drayton Valley officiated at the baptismal service. The next regular church service will take place on January 29th.

The annual Board Meeting of the United Church was held on January 17th and this was combined with a farewell party for Mr. and Mrs. Stan McArthur who will be leaving the district shortly. Mr. and Mrs. McArthur were presented with an electric coffee maker from the congregation and Mrs. McArthur was presented with a beautiful vase from the Sunday School class. We wish Mr. and Mrs. McArthur the very best in their new home.

After all the beautiful weather we've been having it seems that it will be turning colder by the way the wind is blowing and the snow is drifting. We are glad to see that Miss Janey DeJong is home and attending classes again after a bout of illness and a stay in the hospital.

See helping out in the usual chores of gas meter reading, etc., was our former "gas man" Mr. Fannon who was

transferred from this area quite some time ago.

I'm happy to report that the Agricultural Society finally had their annual meeting with a very large turnout of the members attending. Election of officers for the coming year took place and they are as follows: President (for a fourth term), Mr. L. Gerrard; 1st Vice-President, Mr. Roy Gattson; 2nd Vice-President, Mr. H. A. Hutchinson; Secretary, Mrs. Mae Payne; Treasurer, Mrs. M. Bruner (also for a fourth term). Many new members joined and expressed a desire to serve on the board of directors so there should be many new ideas for the coming summer fair. Several activities were discussed and planned; among them a bingo to be held soon and a sale to be held when the winter season is over. The next meeting will be held at the home of Mrs. Mae Payne on February 7th.

The 4-H members of the district held their meeting at the home of Mr. and Mrs. Stan Greenwood on the 21st. This meeting was also very well attended and many matters were discussed as well as many spills taken when the members went tobogganing after the meeting was over. Their next meeting is to take place on February 9th at the Gerrard home in Wildwood.

Several of the Junior and Senior High School students took in a performance of the Ice Capades last Thursday. All reported having had a good time.

Mrs. Clifford Horst of the village here was the very lucky winner of the jackpot at Bingo on the 23rd. This jackpot was nothing to be sneezed at either as it had built up to be worth \$240. (Yes, that's right, two hundred and forty dollars.) Congratulations, Mrs. Horst. This bingo is sponsored jointly by the Legion and the Community League and games are usually every Tuesday.

I'm glad to report that Mr. Roy Getson who was badly injured in a traffic accident last fall is now out of the hospital and getting along very well. However, bad luck is still dogging the Getson family. As now Gilbert has been involved in a similar accident and is a patient in an Edmonton Hospital. Injured in the same accident was Ed Barnhardt of Evansburg, who is also in an Edmonton Hospital. Best wishes for a speedy recovery go out to the two young men.

There was big excitement in the home. Little Henry was starting school today.

Mama waited outside anxiously.

"Well, what did my little man learn on his first day?"

"I learned to write."

"In one day you learned to write? What did you write?"

"How should I know?" answered Henry. "I don't know how to read."

Members of the F.M.H.S. Warriors Basketball team, winners of last weekend's tournament are shown here! Front row, left to right, Doug Ibbotson, Stan Oulton, Larry Metelski and Don Bouschard. He was worried about his little daughter getting up ill in the middle of the night. So he consulted one of his know-all friends.

"Does she drink milk before she goes to sleep?"

"Yes"

"That's the trouble," the wise guy said. "If you feed the child milk before bedtime she goes to sleep and tosses from side to side. Milk turns to cheese, cheese turns to butter, butter turns to fat, fat turns to sugar, sugar turns to alcohol--and the first thing you know, the kid wakes up with a hang-over."

New Books At Library

It is hoped that the copy of "Blackfoot Crossing" which was left in the library was meant as a donation for it is now on the shelves. Thanks to the anonymous donor.

Copies of Humpty Dumpty, Wee Wisdom and Jack and Jill have arrived and are ready to lend. Since this is Valentine month there are some interesting stories and suggestions on this topic. Jack and Jill has an article about Ivan Tors written by his son. Ivan Tors makes T.V. movies such as "Flipper", "Cowboy in Africa" and "Daktari". These magazines are shelved in the Easy section but may be borrowed by anyone.

As everyone knows Catherine Marshall has written ten books on non fiction the best known probably being "A Man Called Peter". Her first work of fiction has just arrived at the library. It is called "Christy" and is based on some true experiences of her mother when the latter was a young teacher in the Great Smoky Mountains of Tennessee.

You are reminded that library hours are Tuesday and Friday from 3 to 5 and from 7 to 9. At noon for bus children only.

VIOLET GROVE

KEITH SODERGREN
Correspondent

Out new neighbors, the Guseks have just lately arrived from Lacombe. We welcome them to our neighborhood and do hope they like it in this neck of the woods as much as we do.

The Community League held their election of officers

at the annual meeting held on January 19th. Officers elected for this year are as follows: President, Mrs. Cec Pequin; Vice-President, Mrs. Lauree Janes; Secretary, Mrs. Edna Wilson; and Treasurer, Mr. Ralph Sodergren. Congratulations. We hope you'll have another successful year.

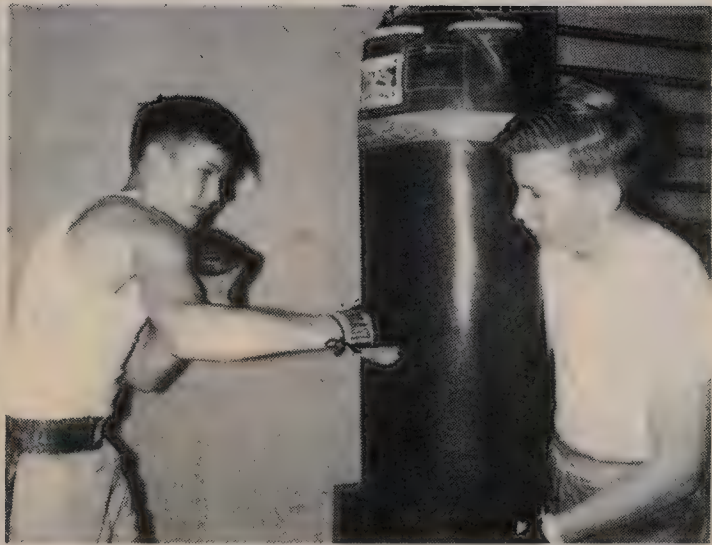

The teen-agers of Violet Grove have formed a club this year, so far running very well. Just having completed a bake sale project at Block's Store,

they are now proceeding with a Rummage Sale and a Valentine raffle. We wish to take this opportunity to thank the management of Block's Store for contributing their time and effort; also to all others who aided in making this the success that it was.

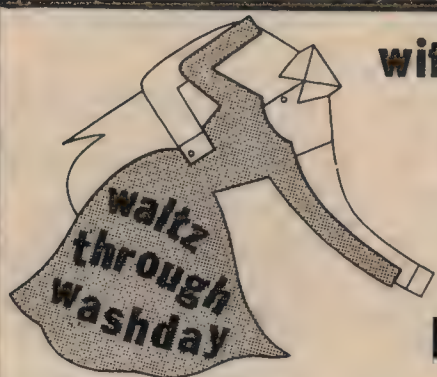

We wish to regret the loss of two residents of our neighborhood, Mrs. Dunnington and Mr. Wallace. Our condolences to their families.

At the \$20,000 Bingo held in Edmonton on Thursday, January 25th, Mr. Sodergren bingoed on a \$1,000 cash prize but unfortunately lost out and received the consolation prize, instead. Better luck next time, Mr. Sodergren.

In closing for this week, we'd like to note the social to be held in the Violet Grove Hall on Friday, February 9th at 8 p.m. Tickets may be obtained from various members of the community or officers, named above.

Two members of the Pembina Boxing Club who will be appearing on the Friday night card in the Elks Hall are shown working out above. Left is Dale Johnson and holding the punching bag, Walter Mastre. Both box in the 130 pound division.

4-H Field Crops, Beef Clubs Meet at Evansburg

The Pembina Field Crops 4-H Club and the Lobstick 4-H Beef Club held their January meeting at the home of Mr. and Mrs. Stan Greenwood on Sunday afternoon, January 21. The meeting, chaired by club president Shirley Hutchinson, was opened with recitation of the 4-H pledge. Roll call was a joke by each member or a fine.

Minutes of the previous meeting were read by secretary Walter Myschuk and the treasurer's report was given by trea-

asurer, Ted Bruner.

Discussion followed on the profit made by cutting Christmas trees and it was decided to donate \$10 toward the sponsoring of a crippled child at Lake Isle during the holidays. It was also decided to donate \$25 to each of Wildwood's and Evansburg's Centennial projects.

Discussion on the fact that Edson is forming a 4-H Council took place but it was decided by the club to remain with the Stony Plain 4-H Council.

New members ordered supplies such as badges and crests.

Seven leaders and parents and eighteen members were present at this meeting. After lunch was served the members had a toboggan party.

The next meeting will be held at the Gerrard home in Wildwood and Mr. J. Monaghan, Youth Director for the Edson area will give a talk on "The Role of 4-H in The Community".

"It seems strange to be kissing you in the daylight!"

CARPET DIRT

The properties of the complex substances that accumulate in and on carpets also add to the carpet-cleaning problem. Physically carpet dirt may be separated into three groups according to particle size: Surface litter, which includes thread, hair, lint, paper scraps and sewing-room litter; fine dirt and dust, which, being light in weight, collect in the upper part of the pile tufts; and sand and grit, which, because of their weight, readily become embedded in the base of the pile tufts, in the open spaces between the pile rows, and even in the tiny pockets formed by the interweaving of the backing yarns.

Surface litter is unsightly but less harmful than the other two types of carpet dirt. It is usually more easily removed. Greasy, sticky organic substances, which combine with the finely divided particles just below the carpet surface, cause that portion of the dirt to cling tenaciously to the pile yarns. This, and the more deeply embedded dirt and grit, are the most difficult to remove; if the embedded dirt has sharp cutting edges that press against the soft pile yarns under the friction of use, the result may be a loss of pile tufts and a worn appearance.

CARPET CLEANING EQUIPMENT

The primary function of an electric vacuum cleaner is to remove surface dirt and embedded dirt and grit from floor coverings. Most surface litter can be removed readily by surface cleaning methods; the sweeping action of a carpet sweeper or the suction and sweeping action of the vacuum cleaner. To remove both light and heavy dirt and grit embedded below the pile surface requires carpet-vibrating action. This loosens the embedded dirt and bounces it to the carpet surface where suction and sweeping action can carry it into the dirt receptacle.

High Blood Pressure A Danger?

Whether or not high blood pressure is a dangerous condition depends on many factors, especially the cause, says The Canadian Medical Association. For example, certain cases of severe high blood pressure are due to tumors of the adrenal gland. With the removal of the tumor, the blood pressure returns to normal. Certain abnormalities of the heart or major blood vessels can be the cause of hypertension, and with correction of these conditions, by surgery, for instance, the blood pressure in many cases returns to normal.

If the high blood pressure is due to severe and chronic kidney disease, the outlook is not so good.

In other words, in some cases high blood pressure is not a disease in itself but a symptom of some underlying condition. All cases of hypertension have to be considered individually. Complete physical examination must be carried out, with any necessary diagnostic procedures such as electrocardiograms, x-ray for heart size, and kidney examinations. Only after a complete assessment of the individual case can the doctor make a definite diagnosis, prescribe proper forms of treatment and make a reasonable prognosis or outlook for that particular case.

Voyageurs Meet Millet Thursday

Two fast-moving, crowd-pleasing games were played here last week between the Voyageurs and out-of-town opposition.

In the Thursday game, Calgary Power of Edmonton defeated the Voyageurs 7-5. Voyageur goals were chalked up by Hutchinson (2), Redlinger, Gordon and Davies.

In the Saturday game the Voyageurs posted an 11-5 win over the Rocky Mountain House Commercials. Barry Ness led the goal scoring parade with six. Bill Hutchinson and Roy Hutchinson added two each.

On Thursday, February 1st the Voyageurs will play at home with Millet providing the opposition. The Millet team is reported to be of the same calibre as the Wetaskiwin Falcons who have given the Voyageurs three stiff games.

The team expects to travel to Edson for a game on Sunday, February 4th but arrangements for this have not been completed at the present time.

Though last year's flaxseed crop in Canada was sharply down, the 1966 output of 22 million bushels amounted to 16 per cent of world production. Here is a field near Regina, Saskatchewan being harvested. Importance of flaxseed as the leading oilseed crop in this country is being challenged by rapeseed.

It is quite possible that the Vikings touched on the east coast of Canada in the year 1000, but the first recorded landing is that of John Cabot in 1497, at which time he claimed the new found land for English King Henry VII. Subsequently in 1534 a French navigator, Jacques Cartier, planted a cross on Gaspe Peninsula and took possession for France. Thus began a French-English rivalry that continued for 250 years.

Clothing Club Meeting

DAWN BROWN
Reporter.

Fifth meeting of the Entwistle 4-H Clothing Club was called to order in the Entwistle Community Church at 7:15 p.m. on Wednesday, January 17th with 16 members, 3 leaders, 2 parents and a special guest present.

A report was given on results of Christmas Tree sales. Profit was \$16.75 which was divided with the Evansburg Beef and Field Crops Club.

Our thanks to all who supported this endeavor.

Marion Sawatzky gave a talk on "How to Gather an Apron Skirt". A second talk was given by Lloy Bourke, "How to be a Good Hostess".

Our special guest for the evening was Mrs. Rae Weist, a business education teacher from Evansburg, also a former Home

Economics teacher.

The members all enjoyed her helpful talk on "Good Grooming". Mrs. Weist also left the girls leaflets on stain removal and fabric reference.

Thanks were extended to Mrs. Wiest with the hope that she might be able to visit the club again.

Somewhat surprising results from our debat, "It Pays to Sew" -- the girls on the negative side proved their points very well. It does not pay to

sew. Yes we are a Sewing Club.

Girls don't forget we have a toboggan party coming up in the near future.

Lunch was served by hostess, Beth Galpin, Lloy Bourke, Noreen Messenger.

A film, "Nobody Waved Goodbye" is to be held Wednesday, February 14 at 7:45 p.m. in the Entwistle Community Hall. This film is open to all.

D. V. Hotel Defeats Warburg

Sponsored by the Drayton Valley Hotel and sporting their brand new white and green uniforms the Drayton Valley Hotel Leprechauns made their debut as the town's All Star team by defeating the Warburg Pee Wee team 14-0 last Sunday afternoon. The Hotel team started fast scored six goals in the first period, added two more in the second and made six more in the final frame. The Warburg team never quit and considering the fact that this was their first game of the season and due to weather conditions they scarcely had any skating practice they gave a good account of themselves. The Leprechauns will play again next week against an outside team. The date will depend upon when such a game can be fitted into our already overcrowded Civic Centre schedule.
